## Staff Mentorship Volunteers Needed

We are initiating a mentorship program for new staff members, and need your help. The goal of this program is to help new staff members establish relationships with current staff to let them know what resources are available to them. A member of the Staff Council and a staff member with similar job duties will meet with the new staff member to talk about resources and help answer any questions. If you would like to be on the list of volunteer mentors please contact the Staff Council at [staffcouncil@hum.utah.edu](mailto:staffcouncil@hum.utah.edu) and briefly mention the areas you specialize in.

### We want to hear your suggestions

Please e-mail, [staffcouncil@hum.utah.edu](mailto:staffcouncil@hum.utah.edu) the Staff Council with any suggestions you may have about staff affairs, training and development or activities.
